Implementation of SDGs in Viet Nam

Way forward for SAI Viet Nam

Welcoming new member

Thank you for your support in welcoming SAI Viet Nam as a new member!

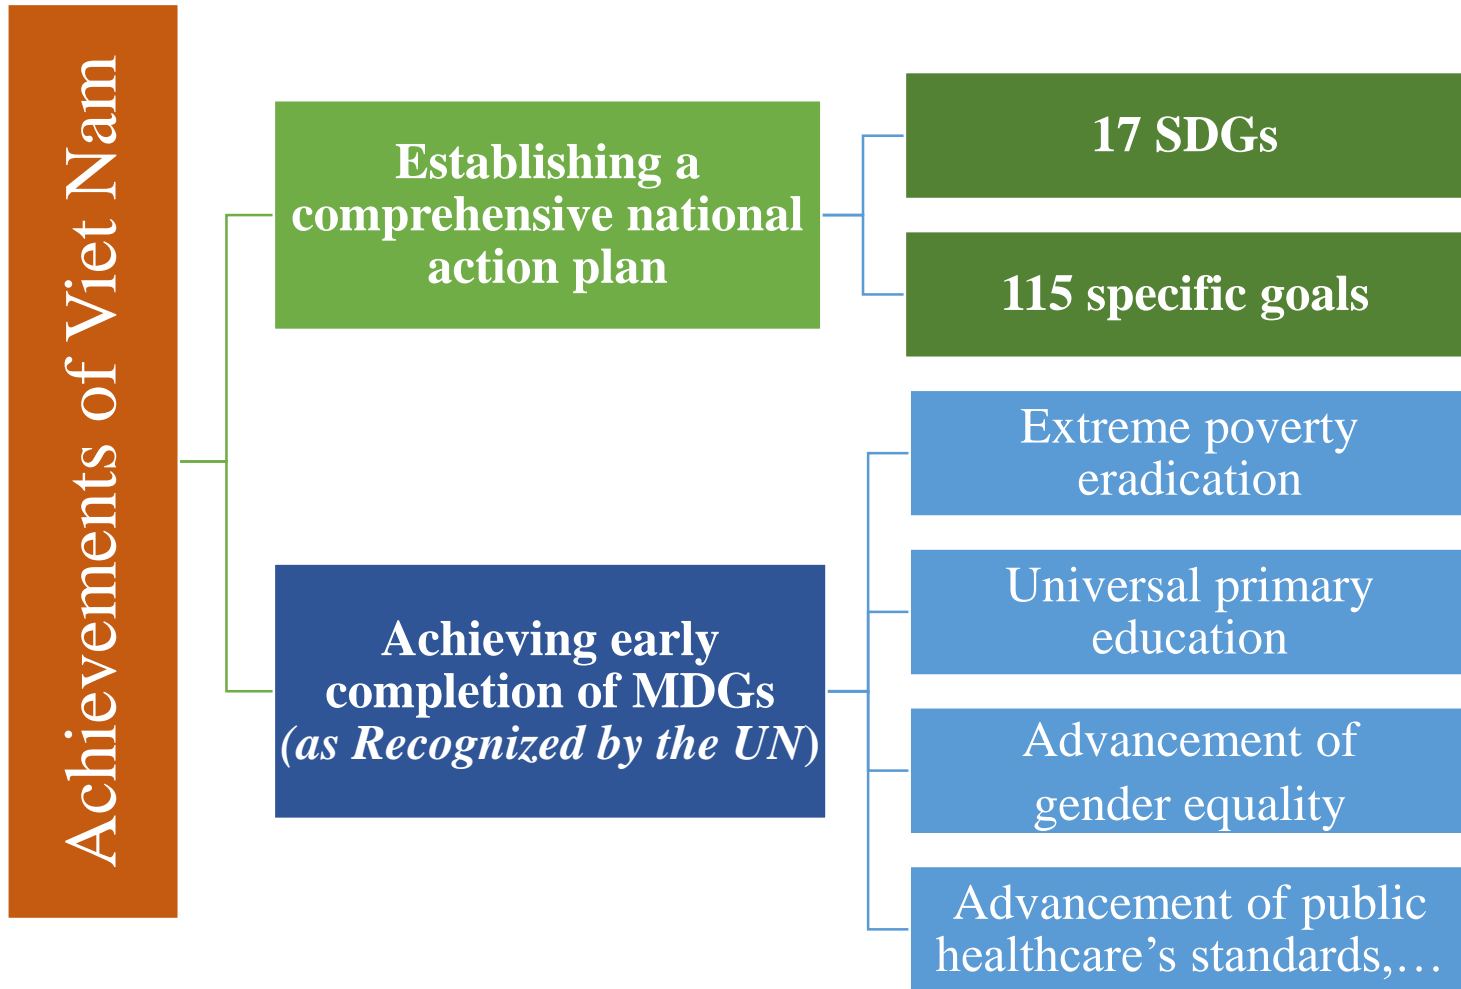

I. INTOSAI WGSDG KSDI - A leading force in propelling sustainable development efforts

- The Working Group has assumed a critical position in fostering SDGs' implementation.
- Its strategic priority on KSDIs underscores the vital importance of reliable data for measuring progress, enhancing accountability and transparency.
- The Working Group's commitment to capacity building, technical assistance, and best practice sharing.

- SAV aspires is to make effective contributions to global sustainability endeavors.
- SAV collaborates with the Vietnamese Government to establish a long-term mechanism.

- SAV is eager to share our knowledge and experiences.
- SAV seeks to leverage the expertise offered by all member SAIs of this esteemed Working Group and to create valuable networks with SAIs and international organizations
- Through mutual learning and cooperation, we can address the increasingly complex challenges of sustainable development

Thank you for your kind attention
